Prices.. 1944

## ALL GLADS IN THESE TWO COLUMNS PRICED PREPAID

### A Super Glad "New Zealand Splendor"

Probably the best Glad introduced into U. S. A. from New Zealand. The plant and spike sturdy and strong. Blooms large. Many open. A crooked spike or misplaced bloom "very unusual". The color is medium pink, with throat blotch of orange-scarlet. The shade varies somewhat, depending on soil and weather. The florets set close to the spike, and are well faced and spaced. They look you right in the eye.
